## RULES FOR ENTRY

These rules are standard for other art organizations and are nothing new to artists who have shown their work previously. If this is new territory, do not be daunted. WOW! will help you to be prepared to show your work if you would like to participate.

- Artwork should be professionally presented and follow all KAA's gallery/hanging guidelines (see below). Works that do not comply will not be accepted.
- Each piece must be labeled on the back with the artist's name, contact information, and the title of the work, and sale price or NFS. This should match with the label on the back of the framed artwork when you deliver it.
- You must fill out and sign a WOW! Consignment Agreement, even if your work is not for sale.
- KAA's commission rate is 30% of all sales. Funds will be collected by KAA from buyers and then dispersed to artists within 30 days of the end of the exhibition.
- Works are under contract for the display period and must remain available for purchase. Artists may not arrange for the work to be sold outside while under contract.
- Work that is sold must remain on exhibit for the entire duration of the show.
- Artists must deliver and pick up their art pieces during the designated hours.
